## Strategic Partnership

Alfa Partnering Solutions focuses on delivering visionary solutions through our strategic knowledge areas using systems and templates that are specifically designed for social good, philanthropic projects and data analytics programs. Derived from our global knowledge and experiences, we will strive to deliver exceptional value to you bottom-line through collaboration and active engagement.

## Change Management

Change management is a structured methodology to shifting/transitioning individuals, teams and organizations from a current state to a desired future state. It is an organizational process aimed at empowering employees to accept, commit and take ownership of changes in their current business environment. Alfa Partnering Solutions Inc. helps ensure buy-in for change from the stakeholder leading them to commit and take ownership of the new future coming their way.

## Resource Staffing

Our Management team boasts well over Sixty-Five years of staffing industry experience - equipped with the best tools and open-mindedness, we apply this experience to your expertise. As one of the leading resource staffing agencies, finding you the right people is our business. At Alfa Partnering Solutions we deliver people who fit your needs perfectly. We offer access to an established network of candidates and provide the resources to fulfill all your staffing needs. To achieve this, we provide qualified, well experienced professionals who are local to the project globally. We pride ourselves in providing local resources to various projects including to Oil & Gas companies in regions such as Australasia, Middle East, Africa, Americas and Latin America. This greatly reduces resource costs by eliminating "expatriate" costs, language barriers and cross "cultural" gaps. Please contact us for your needs.

## Systems Implementation & Training Services

Alfa Partnering Solutions takes the burden of System Implementation Management off your shoulders, giving you back peace of mind. Alfa Partnering Systems Implementation Services and Training solutions provide "always on" availability to everything from individual training to your entire implementation, enabling you to focus more strategic goals that grow your business. fulfilling our
